March 12, 2021

Dear Class of 2025 Bulldogs and Parent/Guardians,

Our Freshman Welcome Night will be held on **Thursday, April 22, 2021 from 6:30 - 7:30 pm**, beginning in our gym. Information about scheduling, academic requirements, athletics, clubs, and activities will be provided. Students will take a staff-guided tour of our campus as well as ask any questions they may have. Ionia High School (IHS) National Honor Society students will speak with our incoming freshmen and offer advice that will lead to academic success. Our guidance counselors will be available to answer questions related to student services, scheduling, and courses.

Due to Michigan Department of Health and Human Services orders, at this time, **this event will be limited to IHS staff and the students within our Class of 2025. Masks are required and social distancing will be observed.**

If any parents, guardians, and/or families would like a tour of IHS at another time, please contact me and we can set up a time/date prior to the start of the 2021-2022 school year.

We look forward to meeting our Class of 2025!

Live with GRIT!

Benjamin Gurk
Principal, Ionia High School
